Location: Senegal

Deadline: 22 January 2027

Open

Purpose and scope

AICS's regional external office in Dakar administers the public comparative procedure for an AICS-funded entrusted development-cooperation initiative under the ARISE Senegal programme. The initiative supports the socioeconomic reintegration of migrants in their country of origin in Senegal.

Funding

The call has a total allocation of EUR 2,850,000. AICS contributes 100% of the total initiative cost, and implementation lasts 36 months.

Who can apply

Eligible applicants are civil society organisations and other non-profit entities registered in the Art. 26(3) list by the notice publication date. A proposal must be submitted by an applicant that meets the stated eligibility requirements, including applicable tax and social-security obligations and the exclusions relating to debts, insolvency and Articles 94–95 of Legislative Decree 36/2023.

Priorities

The initiative prioritises socioeconomic inclusion of return migrants, decent work, entrepreneurship and more effective and inclusive migration management. A transformative gender approach addressing the needs of women, girls and children and promoting their active participation in decisions is encouraged. Where possible, partners may prioritise women-led initiatives; when the
