Overview

Avviso per procedura comparativa per l'affidamento dell'iniziativa ARISE Guinea – AID 013452

Last updated 26 November 2026

Donor: Italian Agency for Development Cooperation (AICS)

Location: Guinea

Deadline: 22 January 2027

Open

Purpose and scope

The Italian Agency for Development Cooperation (AICS), through the AICS Regional Office, Dakar, invites proposals for ARISE – Attività per la ReIntegrazione Socio-Economica delle persone migranti nel loro paese di origine. The initiative supports the socioeconomic reintegration of migrants in Guinea, with activities in Conakry, particularly Dubréka and Coyah.

Funding

The call has a total allocation of EUR 1,500,000, with a contribution of EUR 1,500,000 per proposal. The initiative lasts 36 months, and the AICS contribution covers 100% of the total initiative cost.

Who can apply

Eligible applicants are civil society organisations and other non-profit entities enrolled in the Article 26(3), Law 125/2014 register at notice publication. Proposals must include at least one local CSO partner. Applicants not registered in Guinea must demonstrate their own in-country capacity through their own projects and/or a registered participating affiliate, partner or ATS member; the participating entity must provide qualitative and operational added value.

Priorities

Required activities include improving guidance to existing vocational training, identifying high-employment sectors and gender-differentiated opportunities aligned with local production, and supporting dual training with AGUIPE and training services. Proposals must support trained returnees' placement in the local economy through work-study pathways and first-employment measures with MSMEs, cooperatives and local actors, and monitor participants during and after training and placement. They must also finance economic and social reintegration projects,

transparently identify beneficiaries and support individual or collective micro/small enterprises, favouring women-led initiatives where possible.
