Last updated 27 November 2026

Donor: European Commission
Reference: EuropeAid/187862/DD/ACT
Location: Angola
Deadline: 8 December 2026
Open

Purpose and scope

The European Commission administers this grant under the Partnership for Accountability, Civic Engagement and Democratic Governance (PACED) and the Human Rights and Democracy thematic programme. It supports increased capacity and participation of civil society organizations and independent media outlets in promoting good governance, democracy, the rule of law and human rights in Angola.

Funding

The total indicative funding is EUR 1,000,000, and the contribution per proposal is EUR 1,000,000. Actions may run for 12 to 48 months. The grant may cover 50% to 100% of total eligible costs for the cost-based component.

Who can apply

The lead applicant must be a beneficiary of a Financial Framework Partnership Agreement (FFPA) under EuropeAid/186179/DH/FPA/Multi, have legal personality, be effectively established in an EU Member State, Angola or another country eligible under NDICI–Global Europe, and take direct responsibility for preparing and managing the action. The effective-establishment requirement does not apply to eligible international organizations. Applicants and affiliated entities other than natural persons must register in PADOR and include their EuropeAid ID in the application. Applications must be submitted online via PROSPECT.

Priorities

Financial support to third parties (FSTP) is required as a core means of achieving the action objectives. Priority activities include civic education through FSTP for youth, women, persons with disabilities and other underrepresented groups; increasing CSO capacity and participation in peaceful civic engagement, good governance, institutional trust, and dispute and violence prevention; supporting independent, local and not-for-profit media, especially radio and digital

Estamos Juntos: joining forces for civic engagement — Strengthening civil society organizations and not-for-profit media to media; raising awareness of mis/disinformation through media and information literacy; and strengthening collaboration between independent media and CSOs on media freedom, expression, mis/disinformation and hate speech, especially online.
