Overview

2027 Open Call for Proposals for Implementation of the Green Climate Fund Project: Activity-Based Partnership for Activity 3.2.2 in Aweil East, Aweil South and Aweil West Counties

Last updated 18 November 2026

Donor: WFP

Reference: WFP/SSD/2026/022

Location: South Sudan

Deadline: 1 December 2026

Open

Purpose and scope

WFP is the donor. The programme country is South Sudan, and the geographic focus is Aweil East County, Aweil South County and Aweil West County.

The call concerns implementation of the named project activity in those counties. Its programme is identified as ECRF, and its funding instrument is the Green Climate Fund project. The stated geographic scope is the three named counties in South Sudan.

Funding

The implementation duration is 4 years. This is the duration stated for the activity-based partnership implementation.

Who can apply

The call concerns NGO partnership implementation. Applicants must align partnership work with the ECRF theory of change, and selected NGO partners adopt ECRF outcomes, outputs and activities.

Applicants must contribute to pre-defined activity deliverables and implement activities under ECRF Outcomes 2 and 3. These conditions describe the work proposed through the partnership: alignment with the ECRF theory of change, adoption of its outcomes, outputs and activities by selected partners, contribution to pre-defined deliverables, and implementation under the specified outcomes.

Priorities

Beneficiary selection aims to strengthen climate-resilient livelihoods and nutrition co-benefits. Households with a recent history of nutrition assistance may be prioritized. The call therefore identifies these households as a possible priority in selection, in support of the stated livelihoods and nutrition aims.

2027 Open Call for Proposals for Implementation of the Green Climate Fund Project: Activity-Based Partnership for Activity

For activities other than FFT, the call sets a minimum of 50% women as a share of people targeted in each activity. It prioritises efforts to explain if the target cannot be achieved. This applies to the target for each activity other than FFT, and the explanation is prioritised when that target cannot be achieved.
