Overview

Integrated Mine Action Interventions for the Protection of Children in Ethiopia

Last updated 19 November 2026

Donor: UNICEF
Reference: CEF/ETH/2026/028
Location: Ethiopia
Deadline: 11 December 2026

Open

Programme purpose

The objective is to reduce children's and conflict-affected communities' exposure to explosive ordnance risks through preventive education, victim-assistance access, and identification, reporting and referral of suspected hazards affecting schools and children's access routes.

Target population and geographic coverage

The call identifies children (girls and boys) and parents, caregivers, teachers and community leaders.

The geographic focus is Tigray Region, Amhara Region and Afar Region.
