Call description

APPLY FOR A GRANT

Priorities and eligibility

You are only eligible to apply if a majority of the members of your group (at least 70%) identify as women and the organisation/collective must be women-led with women holding decision making positions.

Do we need to be a legally registered organisation or collective in order to apply?

Funding and application requirements

• The maximum amount for RRG Grants is USD 15,000.

• Le montant plafond pour des subventions d'intervention rapide est de 15 000 dollars US.

• The grantmaking team goes through each individual request and carries out due diligence including consulting our advisors and the endorsers you provide.

• We review the budget and do our own due diligence concerning the amounts indicated.

• Rapid Response grant application form: Complete this form if you plan to implement catalytic interventions/action within 3 months.

• Advocacy and Alliance Building grant application form: Complete this form if you plan to implement advocacy and/or policy influencing interventions within 6 to 12 months.

APPLY FOR A GRANT

Recommendations

Confirm the application route and required submission documents against the current official call before applying.
