The call page and detailed call document give the same deadline date. The detailed call document specifies 11:59 pm Geneva CET for the exclusively online submission; the date-only page entry is not a competing date. Use the specified local deadline without converting or borrowing another timezone. The call directs applicants to the official call-specific online form and excludes email submissions; the detailed instructions supply the time and timezone.

USD 30,000 is the shared endpoint of the two stated per-proposal ranges. The ranges describe distinct streams; they do not establish a combined proposal amount or total call budget. Both published ranges include USD 30,000.
