Purpose and scope

WFP's 2027 Open Call for Proposal funds General Food Assistance (GFA), Blanket Supplementary Feeding Programme (BSFP) and Early Recovery Assistance (ERA) in Unity State, Leer and Mayendit Counties, South Sudan. The response aims to prevent famine and provide life-saving food and nutrition assistance and early recovery for crisis-affected populations.

Priorities

Within prioritised counties, household targeting gives precedence to households facing IPC Phase 4 or 5 conditions, considering severe food-consumption gaps, acute nutrition risks, displacement and compounding vulnerabilities.

Partners work towards engaging at least 70% of GFA-targeted households in ERA activities.

For activities other than FFT, the call prioritises efforts towards a minimum of 50% women participants. For FFT, it prioritises efforts to use a separate 70% target.
