Purpose and scope

UNICEF Uruguay invites expressions of interest for an implementation partnership to promote deinstitutionalization and family and community reintegration, strengthen territorial support for exits from residential care, and prevent re-entry to 24-hour residential care in Rivera, Maldonado and Rocha.

Funding

Implementation lasts 12 months from signature of the agreement.

Who can apply

Applicants must notify programas.uruguay@unicef.org to verify that their submission is correct.

Priorities

Partners must systematize experience and results, identifying learning and recommendations for sustainability and possible use of the methodology in other territories.
