Overview

Integrated Drought-Resilient Livelihoods Pilot – Panducane, Mutarara District, Tete Province

Last updated 27 November 2026

Donor: IOM
Location: Mozambique
Deadline: 7 December 2026

Open

Purpose and scope

IOM Mozambique’s Call for Expression of Interest seeks an Implementing Partner for an integrated drought-resilient livelihoods pilot in Panducane, Mutarara District, Tete Province, Mozambique, under the Regional Response to Climate Displacement in Sub-Saharan Africa (RE2CLID) programme.

Who can apply

There is no application fee; IOM will not ask Implementing Partners to pay one.
